

## Beachside Athletic Booster Club Meeting Minutes

A general meeting for individuals interested in the Beachside Athletic Boosters was held on March 28, 2022 at SJGCC community room. The meeting started at 6:30. There was a sign in sheet where participants were asked to write their name next to the board positions titles. Names were also gathered from individuals prior to the meeting and were added to the sign in sheets to indicate their interest in a position with the board.

Jen Harman, Athletic Director of Beachside High School, welcomed the community to the meeting and provided an update on the progress of the athletic department facilities and hiring of coaches. She indicated that one of the goals from tonight's meeting was to gather names for the board. If there was enough interest for the executive board, she is interested in getting this part of the board established so we can start to conduct booster business of establishing a bank account, getting ready for apparel, and establishing membership opportunities. Ms. Harman opened the conversation to questions. The meeting ended at 7:30.
